AFFIDAVIT

On August 17, 2023, United States Border Patrol Agents (BPAs) from Presidio Station encountered a male subject, later identified as Sergio MENCHACA Pizarro, walking westbound along FM170 near Fort Leaton, within the Western District of Texas.

The BPAs conducted an immigration inspection on MENCHACA, at which point agents learned that MENCHACA was a United States citizen that entered the United States through the Rio Grande River. MENCHACA did not enter the United States at a border crossing point designated by the Secretary of Homeland Security.

MENCHACA was taken into custody and transported to the Presidio Border Patrol Station for processing.

I make this affidavit on the basis of my personal knowledge and information furnished to me by other law enforcement officers.
